_____ Housing Available
_____ Waiting List

The signature of the student AND parent/guardian (if the student is a dependent) indicates a request for campus housing and an understanding of the housing policies and regulations at Anderson College, which can be found in the Anderson College Student Handbook and the Residence Life Handbook. Upon completion of the housing request process, you will be notified by mail concerning your status. Notification of housing availability is normally given within two weeks after this completed contract is returned to the Admissions Office. An admissions letter of acceptance does not guarantee housing at Anderson College. Housing requests are processed on a "first come" basis as long as on-campus housing is available. Students on a waiting list are not necessarily assigned on a "first come" basis (as rooms become available).
